19th March 2024

Dear Parents / Carers,

As we come to the end of the term, we have a few items we need to share with you.

Easter Egg Decorating Competition

The traditional Grantown Primary egg decorating competition will be held in classes next Monday, 25th March. Children will need to bring a boiled egg to school ready to decorate on Monday morning. The competition will be judged by our canteen staff and pictures of the winning designs will be posted on our Facebook page and Blog.

End of day arrangements

We would like to invite parents into the playground when collecting children from school at the end of the day, this will prevent any congestion on the pavements and make it easier for parents with buggies.

School Lunches

Update regarding School Meal Charges

In line with the increase to charges that was approved by Members at the 2024-2025 Council budget meeting on Thursday 29th February 2024, the cost of a traditional school meal for the new financial year, effective from Monday 15th April is as follows: -

Primary School Meals – Increase from £2.30 to £2.40 per 2 course meal – this will apply to pupils in P6 & P7 until the full roll out of universal free school meals is agreed by the Scottish Government.

End of Term

School closes for the Easter break next Thursday, 28th March at the normal time and reopens on Monday 15th April.
